ACHIEVEMENTS

- Tai Kwon Do Red Belt
- 2008 Missouri Figure Skating State Champion
- 2018's Most Innovative Startup
- Set a world record for feature detection accuracy of brain tumors using Machine Learning with MRIs

HOBBIES

Jiu Jitsu
Running
Figure Skating
Playing Ukulele

WORK EXPERIENCE

SolersRG, Senior Software Engineer
Jul 2019–Present
Creates new or modifies existing software to allow it to adapt to new hardware or to improve its performance. Analyzes user needs and software requirements to determine feasibility of design within time, costs, and security constraints.

Biosight Technology, COO & Senior Software Engineer
Jul 2018–Present
Spearheads the development, communication and implementation of effective growth strategies and processes. Designs software systems, using scientific analysis and mathematical models to predict and measure outcome and consequences of design.

ActionLink, Program Manager (RSC Agent)
Feb 2017–Aug 2019
Serves as a link between management and employees by handling questions, interpreting and administering contracts and helping resolve work-related problems. Confers with project personnel to identify and resolve problems.

Sandals de Shalom, Front End Software Developer
Dec 2012–Aug 2016
Developed and managed project plans while providing status updates to management. Designed, built, and maintained Web sites, using authoring and scripting languages, and content creation tools.
